

seeds
for the
future

I. Introduction of the Program

Just like in previous years, the Seeds for the Future Program organized by Huawei Technologies will take place in 2024 as well.

Seeds for the Future is Huawei's globally-recognized Corporate Social Responsibility (CSR) flagship program, the longest-running CSR initiative across the world. This program seeks to develop local talent, share knowledge, increase ICT sector awareness & enthusiasm & foster digital community building.

This year the program is quite unique: we are preparing onsite program for those talented successful applicants in **Rome from 1st of July until the 5th**. During these 5 days you will have the opportunity to participate in a series of inspiring workshops led by industry experts, engaging roundtable discussions and to work on your Tech4Good Class Group Project.

SUN	Jun 30	Arrival
MON	July 1	Opening Ceremony Global Village/Cultural Exchange
TUE	July 2	Green Skill Workshop Tech4Good and Leadership Workshop
WED	July 3	Women In Tech Roundtable ICT Course and Tech4Good
THU	July 4	Tech4Good Pitch Day Rehearsal
FRI	July 5	Tech4Good Semi Final Sightseeing and Award Ceremony
SAT	July 6	Departure

(Tech4Good Class Group Project: Leveraging technology to address local common social &/or environmental issues, where participants develop a project and prepare a pitch to present their ideas to a panel of judges for evaluation.)

The students who successfully graduate from the program will receive:

- Program Completion certificate
- Regional Semi-Final Winning Team Certificate Issued on Awarding Ceremony

Please be aware, that the selection process is different from the previous years: there will be only one student selected who can participate in the program from each of our strategic partner universities in Hungary (University of István Széchenyi, University of Pécs, University of Óbuda, University of Public Service).

The deadline of the application is on the 31st of May.

II. WHO do we look for?

We are looking for undergraduate or graduate students in their bachelor or master's degree studies, who:

- Passionate about innovation, digitalization, sustainability, entrepreneurship and cross-cultural communication in ICT-related fields
- Have willingness to participate in group project and global competition
- High level of proficiency in English for all sessions & tasks
- Hungarian citizens

III. WHAT do you need to prepare?

Please prepare your application materials in English:

- Resume / CV
- Digital transcript that proofs academic records
- Digital certificate of the active student status at University
- A max. 400 words cover letter and/or a max 3 minutes personal video which reflects objective to participate for learning
- One recommendation letter from your professor, dean, etc.

Please submit your application to orosz.luca@huawei.com

Email subject : **【 Seeds for the Future 2024 Application 】 Student Name + University**

Following Rome 2 regional champions are eligible to participate in the T4G Global Competition Final in China, 2025 (TWO teams of 5-8 members per region).

Looking forward to receive your application,

Huawei Technologies Hungary
